

# What is Patriot Project?

**Patriot Project** is Southwest Covenant's all school fundraiser and service project. **Patriot Project** allows us to provide items for our school and serve the community of Yukon and Christ. **Patriot Project** began in 2006 with contributing over 2,500 volunteer hours to the City of Yukon our first year. In the last two years **Patriot Project** has allowed SWCS to develop a partnership with Yukon's Parks & Recreation Department, while witnessing Christ's Kingdom. Students, teachers, and parents have worked hard in the past to restore and develop Yukon's three-park complex.

This year on **Friday, Nov. 7th, Patriot Project** is excited to volunteer our time to Yukon's newly developed Taylor Park. **Patriot Project** will partner with the City of Yukon and Mandi's Ministries to fund and construct a "special needs" baseball field. The "J. CALVIN BALL FIELD" will allow children with mental and/or physical challenges an opportunity to play baseball as a team member in an organized league. **Patriot Project** will donate 10% of our funds raised to directly benefit the "J. CALVIN FIELD".

Along with constructing the field we will begin development of picnic areas, bridges, playground, a soccer field, and landscaping during our work day.

The SWCS goal is that this "special needs" league will become a ministry of our school. Volunteers serve as "buddies" to assist the players. The **Patriot Project** dream is that our students will feel led to serve as "buddies" to these very special children during their games.

## Why Do We Do It?

*"Whatever you do, work at it with all your heart, as working for the Lord, not for men."*  
Colossians 3:23

Not only is **Patriot Project** a method of raising funds, but an opportunity for us as a Body of Believers to honor God by serving others. **Patriot Project** allows our students to develop leadership skills, team building talents, and unity. It is through our attitude of servanthood that we can make a difference in our community.

## How Do We Do It?

On **Friday, November 7, 2008** students will be divided into work teams, led by adult leaders, and will work together to complete assigned projects. Students will seek contributions from individuals and corporations for the work they perform on Nov. 7th. Funds raised from **Patriot Project** enable SWCS to provide much needed classroom materials and teaching tools. Our project also allows us to contribute not only manpower to the City of Yukon, but financially as well.

## How Can You Help?

Please join our many donors and sponsors to help us make a difference for SWCS, the City of Yukon, and these special children's lives! 10% of our project funds will directly benefit the "J. CALVIN FIELD".

Corporate sponsor will receive your company name on our project t-shirt, community banners, and 2009 brochure. (must meet deadline)
